CONTRACT WITH SCHOOL WITH REGARDS TO PAYMENT

The budget for 2026 was presented to and approved by the School Governing Body on 10 September 2025.

A resolution was adopted for compulsory school fees for the next year. Fees are determined annually for a period of 12 months. The school fee for 2026 will be R30 840 per year, per learner. The aftercare fee amounts to R22 200 per year, per Pre-Primary school learner and R24 900 per year, per Primary School learner.

School and aftercare fees may be paid monthly in 12 (twelve) instalments. School and aftercare fees are payable in advance per month on the first day of each month. Payment of school and/or aftercare fees are not subject to the presentation of a statement. Should more than one instalment not be paid on due date, the full amount will become due, owing and payable.

The non-payment of fees automatically gives the school and aftercare the right to terminate the learner's enrolment. Should parents elect to make monthly payments, the annual fee will be apportioned over 12 (twelve) equal monthly instalments (including December). As such, even though the learner does not technically attend school or aftercare for the full month of December, the school and/or aftercare fees charged in that month, represent a portion of the annual school and aftercare fees charged and as such become due and payable by the parent.

If the parents fail to pay any instalment on the due date contained in the applicable annual fee letter, and the school or aftercare grants them an indulgence of time to make such payment, this shall not be regarded as a waiver (giving up) by the school or aftercare of their right to insist that all amounts owing be paid immediately or an agreement that the payment dates for the remaining instalments have in any way been extended or altered. The school and/or aftercare do not have an obligation to extend any payment date but may do so in their sole discretion.

The school and aftercare reserve the right to NOT enrol a learner in the next academic year should any fees from a previous academic year be outstanding.

The parents will not be entitled to any reduction or refund in respect of school and/or aftercare fees or additional fees for any period that a learner is under suspension or should the learner be expelled, unless determined otherwise at the sole discretion of the school and aftercare.

The fact that the learner cannot attend school or aftercare, for any reason whatsoever does not relieve the liability for payment of fees.

In the event of non-payment, action will be taken against both parents regardless of any maintenance agreement which may exist between the parties. In terms of Family law, parents are jointly and severally liable for payment of learner fees.

All correspondence regarding school and/or aftercare fees will be distributed by D6 and e-mail – please inform us of any changes to your address, telephone number or email address so that we can keep our mailing information current and accurate. Alternatively, the correspondence will be handed to the learner in a sealed envelope by the respective teacher for the delivery to the parent or guardian.
